This is a decision on the request to withdraw as attorney of record under 37 C.F.R. § 1.36, filed January 28, 2003.

A grantable request to withdraw as attorney of record must be signed by every attorney seeking to withdraw or contain a clear indication that one attorney is signing on behalf of others. A request to withdraw will not be approved unless at least thirty (30) days would remain between the date of approval and the later of the expiration date of a time to file a response or the expiration date of the maximum time period that can be extended under 37 C.F.R. § 1.136(a).

The request meets all the above requirements. The request was signed by Norman R. Klivans, an attorney of record in the above identified application. On December 30, 2002, the Office mailed a non-final Office Action setting forth a three-month shortened statutory period for reply that is extendable by petition under 37 C.F.R. § 1.136(a) through June 30, 2003. As such, there is at least thirty (30) days remaining between the date of this decision and the expiration date of the maximum time period that can be extended under 37 C.F.R. § 1.136(a).

The request is approved.

The application currently has no attorney of record.
